## ARE YOU GROUPIN??

Grouping is IMPORTANT!!! Not only so you can serve on team, but more importantly to stay accountable! Are you having a tough time with peer pressure at school? Are your parents driving you mad? Have you been offered drugs or alcohol lately? Grouping is a chance for you to get together with friends, in a non-threatening environment and talk to people that are going through the exact same things you are. It's a way to get it off your mind, get advice and then PRAY together about it. If you're having problems finding a group, or if your group needs more people, call Charles Edwards at 520-307-0227 and he will help hook you up with someone!

## Do You Want to be a Part of SALT 15?

Are you interested in getting a call to serve on team during S.A.L.T. #15? Great, then you need to know you're required to do a few things to qualify:

- Actively attend church
- Participate regularly in grouping
- Attend as many Harvests as possible
- Model Christian behavior
- Live a Christian lifestyle
- Go through Leadership Training

If you have not yet attended Leadership Training you will be given another chance prior to the next weekend.

*Please know that only God will decide if you get a call to serve in the Vineyard or as a Wheatie; you will not be able to make that choice!*

## FUNDRAISERS

### Tirosh and Peter Piper Pizza

### Bucket Full of Change

Tirosh is raising money for its weekend retreats. We have placed 5 gallon Water jugs at as many Tirosh Community Churches as possible. We ask that you fill these Jugs with all your loose change. This money will be picked up by a member of the Tirosh Committee and a new Jug will be placed. Please help us raise money for the cost of the weekend.

Thanks Rhonda Warner
