PERSONAL CONSIDERATION AND RESPONSIBILITIES OF SPONSOR

Your actions as a sponsor will directly affect the experience that your participant will have during the Via de Cristo weekend. It is important that you know and accept the following responsibilities of a sponsor.

- Immediately notify your participant if an orientation meeting has been scheduled. Attend with them and provide transportation, if possible. If the participants are a married couple, encourage both to attend. If they are unable to attend, be sure that they get a "What is Via de Cristo?" brochure.
- Determine from your participant if he/she has any need for a "special diet" or "bed request". This information should be given to your Parish Rep who will pass it along to the Secretariat. (This information should have been included in his/her registration form.)
- The sponsor provides transportation to and from the Via de Cristo weekend. If you cannot provide this transportation (i.e. you are serving on team), arrange to have your spouse or another community member from your church provide transportation. The participant is not to drive his/her own car.
- Dinner is not served at the Via de Cristo weekend on Thursday or Sunday evening. Some sponsors like to take their participants out for dinner on the way to the Via de Cristo weekend and/or on the way home from the Via de Cristo weekend. This is not necessary and is left up to the individual sponsor and their participant.
- Stopping for dinner or dessert on the way home from the weekend gives the new pilgrim an opportunity to discuss what they experienced on the weekend. In the case of a married couple who did not attend a co-ed weekend, this is best done after the women's weekend.
- Each sponsor shall provide a banner for his/her participant which is 24" x 36" as well as a devotion book.
- Sponsors should prepare palanca for the participant and should contact family members of the participant to obtain letters or notes of palanca to be given to the participant on the weekend.
- Sponsors should group with their participant for three months or until the participant can start grouping with others. Sponsors need to help their participant find or form an active reunion group.
