Fry's Giftcard Fundraiser

• You must get the card from a VdC representative

- Gift Cards have an initial value of \$5.00. You only need one card.
 - You can recharge the Gift Card at any time. The card can be recharged at any register in the store or at the Customer Service Center for any denomination between \$5 and \$500. You can use cash or a credit/debit card to recharge the Gift Card.
 - When you make a purchase using the Gift Card, the balance remaining on the Gift Card will be printed at the bottom of the register receipt
 - If the magnetic strip on the back of the card will not work and the card number cannot be keyed in at the register, contact the Fry's Consumer Services Department (1-800-828-5235) and you will be issued another card for the balance that is on the original card
 - Recharges to the card need to be done before the cashier starts to ring up the order, so that your purchases go towards supporting VdC
- Gift Cards are like cash; if they are lost or stolen, they will not be replaced

All well and good but where do we get our money from?

5% of everything you spend using that card comes back to Via de Cristo.

Did you know?

Via de Cristo is funded solely by the generosity of its community. If each household in our current community donated \$10 per year, our weekends would be fully funded?

If the Lord is calling you to make a tax deductible gift, you may send it in the envelope provided to:

**Southern Arizona Lutheran

SALVdC #25
October 23-26, 2008

I lift up my eyes to the hills - where does my strength come from? My help comes from the Lord, the Maker of heaven and earth. Ps 121: 1-2 (NIV)

One of the first fun things I was able to do after accepting the call to be Rector of SALVdC #25 was choose the theme verse for the weekend. The above verse came to me immediately from experience in my faith walk.

As many of you know, one of my favorite pastimes is long distance trail running – specifically trail Ultra Marathons (anything over Marathon distance). My favorite Ultra Marathon is the Leadville Trail 100 – 100 miles in the mountains of Colorado. I didn't start running until I was about 40 years old. But when I started, I attacked with all my might. I found great pleasure running in the mountains and my running strength grew as I spent more and more of my free time out on the trails.

Unfortunately, in many ways the mountains became my god. I did not worship them, but I longed for my time in them as I strove to strengthen myself. I did not give God credit for the joy his creation gave me. I did not give God credit for my accomplishments. However, thank goodness, my God is a jealous God and he intervenes when anything gets in the way of my relationship with him.

I'm a slow learner, but God does not mind. Age is just one of the tools he is using to show me that I am not self-sufficient. I continue to run in the mountains, but it now takes much longer to cover the distance. Through running I have learned that God – Father, Son, and Holy Spirit – is beside me in all my endeavors. I have learned to reach out to him for strength in prayer, worship, and Christian fellowship as I see him in the faces of the many friends he has placed in my life. Truly – “My help comes from the Lord, the Maker of heaven and earth”.

Dear member of the VdC community, I covet your prayers as the team for VdC #25 forms and prepares to present the joy we have in our Lord and Savior Jesus Christ to the participants. Pray that our God will show us his plan for the weekend and provide the strength we need to carry out the task.

The Lord your God is with you, he is mighty to save. He will take great delight in you, he will quiet you with his love, he will rejoice over you with singing. Zephaniah 3:17 (NIV)

When I received God's call to serve as Rectora for the women's weekend, numerous verses flew into my head. The bible is filled with so many awesome verses it was hard to hear which one God wanted to be the theme for this weekend. I created a long list of verses to pray over, which Zephaniah 3:17 was not on. As I pondered this list in my head, I was reading a book in which Zephaniah 3:17 was the theme of the story, and soon the verse seemed to be everywhere I turned. God was making it pretty apparent this was the verse. This verse is a wonderful expression of His love for us and how His love is experienced on the Via de Cristo weekend. God's love and His promises are awesome! For me this verse will always be a reminder of His love and promises, as I pray it will be for all those who experience VdC#26.

Giving Tree Outreach Program

Helping the Homeless and Disadvantaged

Mission Statement

The GIVING TREE OUTREACH PROGRAM, 501 (c)(3) non-profit, faith-based organization, has been serving Tucson's homeless and needy since 1988! (The corporate name is The G.T. Outreach Program, Inc.) We provide meals, emergency food boxes, transportation and referrals to community services. In addition, we provide a home for abused, neglected or homeless babies and children. We invite you to join with professionals and volunteers in Tucson to serve the needs of the less fortunate. You can be the difference in someone's life!

The Giving Tree Outreach Program is an all volunteer organization. We operate numerous programs to serve the homeless and underprivileged of Tucson. These programs include family community faith center, 3 transitional housing facilities: Grace Home for mothers and children, Lighthouse for fathers and children, and Promise Home, an inter-generational home.

The Grace Home houses mothers and their children who might otherwise be homeless or in abusive circumstances. It has long been a dilemma for fathers and their children to find housing where they may stay together as a family. The Giving Tree's Lighthouse was opened for just such families. Residents receive much nurturing in addition to life's basics of food, clothing and shelter. These homes often create a first-time positive experience in the lives of these children and their parents.

Project FEED (Feed Everyone Every Day) operates a biweekly feeding program (Thursday and Sunday) for anyone in need. The program provides hot meals, food boxes, and clothing - as well as personal and spiritual guidance, referrals for housing, shelters, crisis centers and individual assistance for job placement. 200 people now attend that event on both Thursday and on Sunday evenings.

This location is handicap accessible.

We have expanded our feeding program to include Fellowship and Food which takes place on Tuesday evenings at The Compassion Hope Center. It is a simple meal of soup and sandwiches, but our "guests" (homeless, needy) are invited to sit around a table family style and be served. Most homeless families never get to experience this.

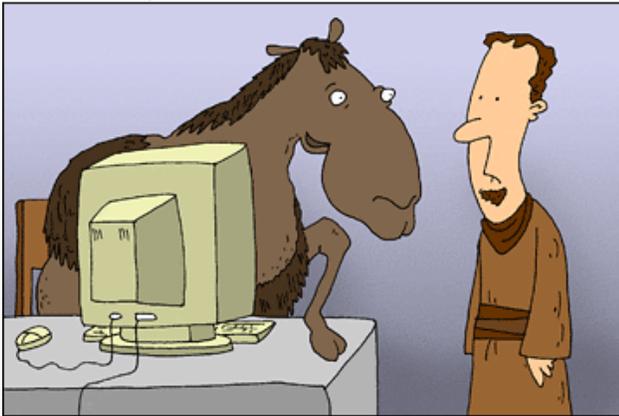

Gaining Employment and Respect (GEAR) helps the hardest to place find living wage employment to stabilize their lives, living conditions and families. Clients receive continued support after successfully obtaining employment which further secures their success.

The Giving Tree programs also provide tutoring, mentoring, Summer Feeding Program for the kids on reduced fee or free school meals, transportation to/from school or doctor appointments - to name but a few.

We would love to count you among our volunteers! Call or email us today. You have gifts and talents that would mean the world to someone. You can be the difference in someone's life.
